October Member meeting

**Think Big.**

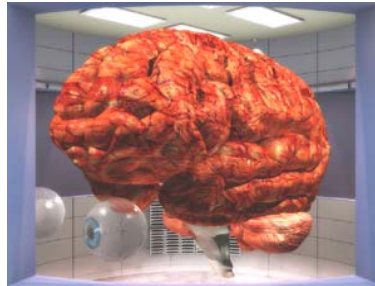

## **3D Animation of the Human Brain**

With: Paul Bourke

Swinburne University, Hawthorn Campus

**Thursday October 21<sup>st</sup>, 2004**

Refreshments: 6:15pm, Presentation: **6:30pm**

The Virtual Room at the Melbourne Museum has a display on the human brain, <http://www.vroom.org.au/shows.asp> and is a joint project with Swinburne University of Technology.

Paul Bourke from the Centre for Astrophysics and Supercomputing <http://astronomy.swin.edu.au/> was involved with the project. This project developed VR technology for scientific visualisation and public education in the area of astronomy and space science.

Paul will give a demonstration and explanation of his work to members and set up a 3D viewing for us to experience, so come along and enjoy this unique opportunity!
